What is the Reining Alberta Performance Program “RAPP”?

The Reining Alberta Performance Program (RAPP) is a locally driven breeding initiative designed to build upon and enhance the former Reining Alberta Sire Incentive Program. Its purpose is to boost participation, grow program sustainability, and significantly increase available purses for competitors.

RAPP expands eligibility by allowing **any foal** to be nominated according to the fee schedule below. Foals sired by **enrolled stallions** qualify for nomination at **substantially reduced rates**, supporting both stallion owners and breeders who choose to use outside stallions. The program continues to champion Alberta stallions while creating broader opportunities for breeders across the region.

RAPP introduces key improvements aimed at revitalizing engagement and strengthening financial sustainability. With these enhancements, Reining Alberta anticipates purse totals increasing from approximately **\$10,000 to more than \$40,000**, directly benefiting local Reiners and helping grow the sport within our community.

Age as of December 31 (of current year)	Sire Incentive Foal (Sired by Enrolled Stallion)	Performance Program Foal (Sire is NOT Enrolled)
